

(ON-DEMAND)

INTRODUCTION TO BUSINESS JAPANESE TEACHING

Lesson purpose and contents

This course is intended for Japanese language teachers who are involved in Japanese language education at overseas educational institutions, undergraduate and graduate students who are enrolled in Japanese language teacher training programs in Japan and abroad, and foreign personnel at companies. This is an introductory course for anyone interested in business Japanese education, such as those in charge of education, where you can learn useful specialized knowledge for "teaching business Japanese". Experts in linguistics, Japanese language, and Japanese language education will give lectures on each theme from both theory and practice. This course is recommended for those who want to learn the basics of business Japanese education and those who are interested in teaching business Japanese.
